

AUTOMATIC 3H  
INSTRUCTION MANUAL

Automatic Watch  
(self-winding on wearing)

Time setting:  
Set to the correct time.  
Push crown back to position 1.

**Important:**

It is recommended to adjust the time by forwarding the hands instead of turning the hands backward.  
Please do not adjust the time during the period from 21:00 to 02:00, it could be harmful to the movement.
